GREAT NEWS – MEMBERSHIP EXPANSION!

GHPFCU applied and got approval for an expansion of our field of membership.

Now we are offering our credit union service to **ALL law enforcement in the entire state of Connecticut** and their families!

Spread the word if you know someone who can benefit from our products and services who might not be aware that they can join. From Newtown to Niantic, Southbury to Suffield, and everywhere in between!

It doesn't matter if you aren't near the credit union; everything we do can be done online.

Visit our website at www.ghpfcu.org, or call 860-522-0899 and speak to any representative.

A MESSAGE TO OUR MEMBERS

Returning to Normal?

COVID numbers are down, kids are back in school, most of us are vaccinated... will we ever really return to normal?

It pained me to once again cancel the in-person Annual Meeting. In its place we'll hold a digital meeting via Zoom on November 4th. (Details are in this newsletter). If you want

to participate in this free meeting, please email Julie (loans@ghpfcu.org) with your name and member number, and we'll email login instructions.

Here is a challenge for all of you: let's take the new skills that the pandemic forced us to learn and keep using them as we move forward out of global disaster mode. While we will never abandon the warmth and personal service we provide our members, we're glad that we've given you all the tools you may need to manage your money YOUR way.

I honestly don't think that a return to

“normal” should be our goal. Hopefully we can return to Better than normal. Better awareness of our physical and mental health. Better use of current technology to accomplish daily tasks. Having gone through a shared disaster, maybe our human interactions will have more kindness and less meanness – more inclusion and less division – more openness and less judgment.
